

Sorrow that leads to repentance (26.10.14)

2 Corinthians 7 vv8-16

Discovery

Read Galatians 3:1-3 'You foolish Galatians!'

To find out what Paul was upset about read Galatians 2:11-14 and Galatians 4:9-11.
What's this all about?

Discussion

Discuss the verses above as they might apply to our lives today.

How much better would our fellowship, and our relations with each other, and witness to people be if we could take and receive rebukes well?

What are you like at receiving correction / being told off by leaders in the church, your friends, others you don't know well in church?

What does it take to be able to give and receive rebukes? Read Galatians 5, and 2 Timothy 3:16, and discuss.

Application

How could you change to be more able to give and take rebukes?

Pray!
